Price: $8.49

Short Description
Interactive Chirping Bird Cat Toy – Touch Activated Sound, Realistic Feather Plush with Catnip, Hanging or Floor Play Toy for Cats

Description
Bring the thrill of the hunt indoors with our Interactive Chirping Bird Cat Toy—designed to awaken your cat's natural instincts. With a simple touch, this toy emits realistic bird sounds, instantly capturing your cat's attention and encouraging active play.

The soft, feather-like texture mimics the feel of a real bird, making every bite and pounce more exciting.

Infused with catnip, it keeps your cat engaged longer while promoting exercise and reducing boredom. Whether used as a hanging teaser or a ground toy, it offers versatile play to match your cat's preferences.

Key Features

- Touch-Activated Chirping Sound Realistic bird calls triggered by your cat's movement
- Feather-Like Soft Texture Mimics real prey for a more engaging experience
